

Reading the Bible Literarily

Small Group Study Questions

- In what ways have you intuitively interpreted parts of the Bible differently based on what type of literature it was (ie. poetry, narrative, etc.)?
- What was one of your greatest take aways from this class?
- In what ways has your faith been strengthened and thinking stimulated through this class?
- What practicals do you plan to implement in your life and faith after this class?
- As you read the Bible how do you plan to become more aware of the types and genres of Biblical literature?
- How are you more prepared to read the Bible well and ask better questions of the text after this class?
- How will this class shape your approach to your own Bible study?
- What is one thing you didn't like about the class and why?
